

ANTI-HUNGER & OPPORTUNITY CORPS

About the Anti-Hunger and Opportunity Corps:

An initiative of Hunger Free America since 2010, the national Anti-Hunger and Opportunity Corps Program (AHOC) is one of the largest anti-hunger AmeriCorps VISTA projects in the country. Its main focus is to fight hunger and improve nutrition, primarily by breaking down barriers to accessing the Supplemental Nutrition Assistance Program (SNAP, formerly known as the Food Stamp Program) as well as by expanding economic opportunity and ensuring healthy futures for all Americans mostly through the SNAP Employment and Training program. Members also serve to increase the capacity of anti-hunger community organizations to help meet the needs of low-income community members, particularly to seniors, working families and non-English speaking populations.

Position Description: Market Bucks Coordinator

- Identify and apply for non-federal sources of funds that can be used to improve benefits access assistance.

Assist in Farmers Market SNAP Incentive Program Expansion
